

The image displays two screenshots of a web-based assessment interface. Both screenshots are from a browser window titled 'ERA Explorer 23.1.3 EC' and show the 'MS-CIT IT Awareness (2023) > Knowledge Check' section.

Top Screenshot: Cyber Security Clicker Challenge 76
The question asks: "You received an email from an unknown email id with a .ZIP folder in attachment. What will be your next action?"
The options are:
 Reply to the Email asking the User's identity
 Delete the Email if you are not sure about the sender's information
 Download the Attachment to see the content inside it
 Forward the email to all your friends
The timer shows 00:04:16. The question list on the right shows question 1 selected.

Bottom Screenshot: Cyber Security Clicker Challenge 46
The question asks: "How can you prevent the theft of your laptop?"
The options are:
 When in use, secure it with a laptop lock.
 When storing it, put it in a locked drawer.
 When travelling, keep it with you until it can be locked up safely.
 All of the above
The timer shows 00:03:46. The question list on the right shows question 1 selected.

The screenshot shows a web-based knowledge check interface. At the top, it identifies the browser as 'ERA Explorer 23.1.3 EC' and the page as 'MS-CIT IT Awareness (2023) > Knowledge Check'. There are window control icons and a language dropdown set to 'English'. The main content area features a question: 'From which tab will you select and apply a theme to your presentation?'. Below the question are four radio button options: 'The Draw tab', 'The Design tab' (which is selected and highlighted in green), 'The Review tab', and 'The Transition tab'. On the right side, there is a 'Questions' panel with a progress indicator showing five numbered boxes (1-5), where the first box is green. Above the progress indicator, it says 'TIME LEFT 00: 02: 22'. At the bottom right of the panel is a red 'END TEST' button. A decorative floral border is visible at the bottom of the question area.
